

Born of Hate

Suicidal Angels

Where is your faith father
Which is your fate mother
War, blood and fire
Our souls forged out of iron

Out from the dark, we come
Into the black, we're heading
Are you the chosen one
Or the one on knees and begging for

Hate, we are born of hate

The answers from your God
Will come with axe and fire
You chose a sorrow path
No dreams are going higher than...

Hate, we are born of hate

Through gods and liars
Breath of the flame
Burning desires
We are born of hate

Where is your faith father
Which is your fate mother
War, blood and fire
Our souls forged out of iron

Into the light, we dwell
We walked the path of hell
Embraced by deepest fires
Beyond the eyes of liars

Hate, we are born of hate

Through gods and liars
Breath of the flame
Burning desires
We are born of hate

Liars...
