

## Hate Under Sacrifice

Suicidal Angels

Death to anyone keeps us behind  
just a bullet in their head  
with a knife in my hand  
only can feel my heart  
only pain can feed my anger  
when sacrificed before my birth  
hate under sacrifice  
lies unspeakable lies  
don't believe anyone who cries  
revenge i seek revenge i'll get  
oen my eyes red like blood  
on my knees where is your god?
