Suicidal Tendencies

No More No Less
It takes more than A just making a fist,

No more Not a Penny less
We're taking what we deserve,
Aint setting for second best

How can you see what I see
when everybodys coming down on me
How can you twist the list
and expect me not resist Ha ha ha
How can you explain all the pain
that goes terrorizing my brain?
Now you'll face a man that understands
that violence is the best plan its cyco time again!

No more No less
No more No freakin less
No more Not a Penny less
We're taking what we deserve,
Aint setting for second best

No more No less
No more No freakin less
No more Not a Penny less
We're taking what we deserve,
Aint setting for second best
No more No less
No more No freakin less
No more Not a Penny less
No more No Less!

How can you call it cheating
if we're too smart to get caught
Come on everybody
