

# This Ain't a Celebration

## Suicidal Tendencies

This ain't a celebration, this ain't a celebration  
Pissed off like a mutha it's just par for the course  
This ain't a celebration  
I've felt a lot of things but never felt remorse  
This ain't a celebration  
If you go digging inside my head watch out where you probe  
This ain't a celebration  
I got some messed up shit inside my frontal lobe  
This ain't a celebration

They turn the furnace on inside me  
The anger burns inside my head  
But there's one thing that they didn't count on  
Is that I'll fight, fight, fight until the end

This ain't a celebration, this ain't a celebration

The give and take was I give and you just take  
This ain't a celebration  
Trapped in a situation I'm desperate to escape  
This ain't a celebration  
Pulled on me way to hard you triggered the silent alarm  
This ain't a celebration  
I only get violent to minimize the harm  
This ain't a celebration

I got pure hatred on the one side  
I got an itching for revenge  
I got the power all inside me  
'Cause I will fight, fight, fight until the end

This ain't a celebration

This ain't a celebration, This ain't a celebration
