

My New Christ

Suicide Commando

My final calling
My final will
Your kingdom falling
Burn down in hell
My final warning
Your fatal fall
Your empire burning
Destroy it all

[Chorus]

So weak, so pretty and precious
So cruel, so greedy, obnoxious
Welcome to my new justice
Bend down for my new jesus
So weak, so pretty and precious
So cruel, so greedy, obnoxious
Welcome to my new justice
Bend down for my new jesus christ
Kneel down for my christ
Kneel down for my christ

My final calling
My final will
Your kingdom falling
Burn down in hell
My final warning

Your fatal fall
Your empire burning
Destroy it all
[Chorus]

My new Christ

[Chorus 2]

So weak, so pretty and precious
So cruel, so greedy, obnoxious
Welcome to my new justice
Bend down for my new jesus
So weak, so pretty and precious
So cruel, so greedy, obnoxious
Welcome to my new justice
Bend down for my new jesus
So weak, so pretty and precious
So cruel, so greedy, obnoxious
Welcome to my new justice
Bend down for my new jesus christ
Kneel down for my christ
Kneel down for my christ
