

Poison Tree

Suicide Commando

What's killing me is killing you
Waiting for the death to get all over you
What's hurting me is hurting you
Feeling all the wrath that I have left for you

Hey, stop kidding me
You're dead to me
Hate is feeding me
Eat from my poison tree
Hey, stop kidding me
You're dead to me
Hate is feeding me
Eat from my poison tree

What's cutting me is cutting you
Cutting deep, cut in two, I'm after you

What's eating me is eating you
Feed you to the pigs that's what I'll do to you

Hey, stop kidding me
You're dead to me
Hate is feeding me
Eat from my poison tree
Hey, stop kidding me
You're dead to me
Hate is feeding me
Eat from my poison tree

Hey!
Eat from my poison tree

What's cutting me is cutting you
Cutting deep, cut in two, I'm after you
What's eating me is eating you
Feed you to the pigs that's what I'll do to you

Hey, stop kidding me
You're dead to me
Hate is feeding me
Eat from my poison tree
Hey, stop kidding me
You're dead to me
Hate is feeding me
Eat from my poison tree

Heyeyeyyeah!
Heyeyeyyeah!
Heyeyeyyeah!
Eat from my poison tree
