

The Dying Breed

Suicide Commando

Dying - in the arms of god
Crying - tears of blood
Dying - in the name of god
Down is where we belong
Dying - of the final creed
Crying - of a world in need
Whining - of a dying breed
Down is where we belong

Bearing scars that will never heal
Carry your cross upon that hill
Down to the bottom of our belief
Down is where we belong

Dying - crying of a world in need
Hear the whining of a dying breed
Dying - in a world of greed
Down is where we belong
