

When Evil Speaks

Suicide Commando

A lot of blood
A lot of pain
Welcome to my twisted game
Tie him up Inflict the pain
God possessed me

Release the hate
Release the pain
Welcome to my sadist game
Cry for help
Unleash the pain
Hate possessed me

A trail of blood
A trail of pain
Welcome to my fucked up game
Bring him down
Impose the pain
God possessed me

Release the hate
Release the pain
Welcome to my twisted game
Cry for help
Unleash the pain
Hate possessed me

When evil speaks
It whispers your name

When hate prevails
It kills in my name

When evil speaks
It whispers your name
There's something inside me
I can't explain
When hate prevails
It kills in my name
Not even God restrains me

Not even God restrains me
