

# You Can't Stop Me

Suicide Silence

And I will continue to move forward,  
Crushing everything.  
Diamond crusher and I am the hammer.  
You're worthless, not me  
Living a life that only I can see.  
You're worthless, to me.  
Singing back to a song that you'll never be.  
The time is now, to prove your worth.  
Show the world, the world for what its worth.

If you're reckless, and free,  
Speak up, sing this with me, with me, with me; WE'RE ALL FUCKIN  
G FREE!  
If you're reckless, and free,  
Speak up, sing this with me;  
WE'RE FREE, WE'RE FREE,  
You can't fucking stop me.

And as the wall keeps moving forward, distorting everything,  
(dream smasher, smasher)  
Look to the sky and scream with me;  
Fuck this place, we are free.

Your diamonds will crumble beneath my feet...  
...I am the diamond crusher, I am the dream crusher.

If you're reckless, and free,  
Speak up, sing this with me, with me, with me; WE'RE ALL FUCKIN  
G FREE!  
If you're reckless, and free,  
Speak up, sing this with me;  
WE'RE FREE, WE'RE FREE,  
You can't fucking stop me.

You can't fucking stop me,  
I'm relentless, you'll see.  
You can't fucking stop me.  
I'm the diamond crusher, dream smasher.  
I'm the diamond crusher, dream smasher.

You can't fucking stop me.  
You can't fucking stop me.  
You can't fucking stop me.  
You can't fucking stop me.  
You can't fucking stop me.  
You can't fucking stop me.
