

# Off Of You

Summer Walker

You won't even listen  
I ain't even trippin'  
Fuck it, keep on poppin', sippin'  
I'm tired of fuckin' talkin'  
When our eyes ain't even lockin'  
Guess I finally gone and fell in

And I'm off of you  
Yeah, yeah  
I'm off of you  
I won't even stay, oh yeah, oh yeah

I can't believe it  
You been mistreating me  
I wanna leave ya  
Ain't you realize  
That I ain't gonna try no more  
I ain't gotta cry no more

'Cause I'm off of you  
Yeah, yeah  
I said I'm off of you  
You, you, you, you, you  
Oh, yeah, yeah

We ain't even speakin'  
I don't even care  
'Cause you took it right here  
Took it right here, yeah  
And I know I tried to  
Keep it right-right here  
Yeah, yeah, yeah

If you stay home  
Then stay out this evening  
Then, baby, you could get me  
To get back without you

Yeah, I ain't gonna try no more  
I ain't gotta cry  
'Cause I'm off of you

Yeah, I ain't gonna try no more  
I ain't gotta cry  
'Cause I'm off of you
