Crowd Control (Do What We Want)

Sumo Cyco

We don't need no crowd control
We gonna let this riot roll

Comin' at you like a freight train
We can't be contained
I swear my vital's rage inside is straight out of the cage
No scientific name
Of skins of thread
Yeah we're takin' more
Yeah we can go bestow r-r-r-rage
We're all over the place
Tie down the new age
That's the point I still make across
Na na na na na na na na
We're brave we're brave
Slip my acid brain
Singing
Na na na na na na na na
Do what we want when we want cause we wanna
Do what we want
Do what we want when we want cause we wanna
Do what we want
Ready or not
Take your best shot
Fight for this moment cause its all we've got
Do what we want
When we want
Cause we wanna
Do what we want
Do what we want
Listen to my aching boo hoo
We swear it's brand new
You do what I do
Calling copy number 2
Contagious as a flu
Instead of feeling blue
We're talkin power
Take it over give it to you
This how it works when moons collide
Jump on in wanna take a ride
Hold on tight I won't bite
This is what it looks like from the side
Na na na na na na na na
We're brave we're brave
Slip down my acid brain
Singing na na na na na na na na
Do what we want
When we want
Cause we wanna
Do what we want
Do what we want
When we want
Cause we wanna
Do what we want
Ready or not
Take your best shot
Fight for this moment cause it's all we've got

Do what we want when we want cause we wanna
Do what we want
Do what we want
When the shadows
Cast over your soul
And you're fallin' into a black hole
Oh and your flesh begins like it's crawlin'
Makin' sound beneath your skin
Slowly decomposing
You can never win

We don't need no crowd control we gonna let let this riot roll
We don't need no crowd control we gonna let this riot-
Do what we want
When we want
Cause we wanna
Do what we want
Do what we want
When we want
Cause we wanna
Do what we want
Ready or not
Take your best shot
Fight for this moment cause its all we got
Do what we want
When we want
Cause we wanna
Do what we want
Do what we want
Na na na na na na na na
(we don't need to crowd control we gonna let this riot roll)
