

Free Yourself

Sumo Cyco

Listen up girls, and listen up boys
destruction
Is bringing the noise
the pretense
And start to enjoy
Only one life before you

Come to me now
Like a moth to flame
Na Na na Na Na na Na na na
Rise from the ashes
Of worlds to claim
Na Na na Na Na na Na na na

We're marching forth for restitution
Na Na na Na Na na Na na na
We hold the torch of revolution
Na Na na Na Na na Na na na

Just forget all you thought you knew
All you thought you knew
Listen up got a point to prove

If you think someone will save you, save yourself
If you think that time will heal you, heal yourself
If you think the world will free you, free yourself
You've got to free yourself
You've got to free yourself
