

Tangled in Blue

Sunstorm

Alone at night
Don't know anymore what's wrong or right
I know it ain't easy to stay away from you
You're waiting by the door
The answer to my woes
I'm not afraid of walking without you by myside

I don't know where to go
I keep the door closed with you out there
I only had to pray for the strength to carry on
Tangled in blue
I'm running away from what you put me through
I'm travelling light
I'm not running the risk tonight
I'm tangled in blue

No reason to pretend
I have what I'm looking for
I know the sun is shining right behind that door
I don't know where to go

I don't know where to go
I keep the door closed with you out there
I only had to pray for the strength to carry on
Tangled in blue
I'm running away from what you put me through
I'm travelling light
I'm not running the risk tonight
I'm tangled in blue

I will keep on dreaming of you to walk through my door
The sun will shine and I'll be free again
Oh ohh free again

I'm tangled in blue
I'm running away from what you put me through
I'm travelling high
I'm not running the risk tonight
I'm tangled in blue

I'm tangled in blue
