

# Beat My Guest

Superchunk

Well tie me up and hit me with a stick  
Beat me beat me  
Yeah, use a truncheon or a household brick  
Beat me beat me  
Beat me yo yo oh oh oh oh

There's so much happiness behind these tears  
Beat me, beat me  
I pray you'll beat me  
For ten thousand years  
Beat me beat me  
Beat me yo yo oh oh oh oh

Well well now  
I'm black and blue baby  
I love you  
Be your dog  
For just one flog  
Help me please  
Make me bleed  
Beat me beat me  
Oh oh oh oh oh  
Beat me yo yo oh oh oh oh

Well use a truncheon or a cricket bat  
Beat me beat me  
A good beatings really where its at  
Beat me beat me

Well well now  
Black and blue baby  
I love you  
Be your dog  
For just one flog  
Help me please  
Make me bleed  
I'm black and blue baby  
I love you  
Be your dog  
For just one flog  
Help me please  
Make me bleed  
Beat me beat me  
Oh oh oh oh oh

Beat me yo yo oh oh oh oh  
Oh oh oh oh oh  
Beat me yo yo oh oh oh oh
