

We're just putting pieces together
I feel like a thief
I feel like a fool
I will rearrange this forever
'Cause I think it's lame
But I think it's cool
I think it's cool

I heard this song on the radio once
I stole a bar
I stole a drink
I used the last straw for my ink
Sometimes I fear I neglect to think
Sometimes I fear

We're just pulling pieces apart
A piece of this is yours
I'm calling it art
I know it's lame
And it breaks my heart
It breaks my
It breaks my heart

I heard this song on the radio once
I stole a bar
I stole a drink
I used the last straw for my ink
Sometimes I fear I neglect to think
Sometimes I fear

There's nothing new
There's nothing new
Everything's borrowed
Everything's used
There's nothing new
There's nothing new
Everything's borrowed
Everything's used
There's nothing new
But we know it's cool
And we're cooler than you
And you know it's true

I heard this song on the radio once
I stole a bar
I stole a drink
I used the last straw for my ink
Sometimes I fear I neglect to think
Sometimes I fear
