

Swinging

Superchunk

Well, it used to swing faster
Now it don't swing at all
Either you start talking
Or we aren't talking at all

Go back to sleep, I didn't say anything
Go back to sleep, I didn't say anything
Go back to sleep

You keep waiting
For that door to crack
You keep hating
But now you want it back

Go back to sleep, I didn't say anything
Go back to sleep, I didn't say anything
Go back to sleep

You don't care if I live or die
Well, that's all right, that's all right
You don't care if I live or die, no
