

Tie a Rope to the Back of the Bus

Superchunk

Level that house tie a rope to the back of the bus
Suck it all out take a straw to the rest of the dust

I crack a heater board taking pictures off the wall
Put this in the corner shoot at it and see if it falls
Make a pile in the center of the room
Plant a flag and let's go
Set fire to the pile shut the door take a breath real slow
Take a breath real slow

Level that house tie a rope to the back of the bus
Suck it all out take a straw to the rest of the dust

Three sticks in the basement
Three upstairs
You catch your fingertips over the edge of the world and just t
ear
And it's a mess it'll soon be less than it was to make
See me running outside with a box just to prove I'm a fake
Yeah to prove I'm a fake

Level that house tie a rope to the back of the bus
Suck it all out take a straw to the rest of the dust

I'll take it they can't
If I don't make it
