

## Lose It

Supergrass

Don't lose it, don't lose it,  
I won't come home,  
'cause you never hold my hand,

Don't lose it, no don't lose it,  
I won't come home,  
'cause you never hold my hand,

(Ah-ah-ah-ah....won't you say my name?)

So don't lose it, no don't lose it,  
I won't come home,  
'cause you never hold my hand,

And don't lose it, no don't lose it,  
I won't come home,  
'cause you never hold my hand,

(Ah-ah-ah-ah....did you call my name?)

I don't want anybody,  
Anyway, I know too much to say,  
All over again,

So don't lose it, no don't lose it,  
I won't come home,  
'cause you never hold my hand,

(Ah-ah-ah-ah....did you call my name?)
