I didn't close my drawers.I didn't change my socks.  
I didn't throw out the cans of coke.I didn't buy new drugs.

Savannah.Savannah so many days oh oh.Savannah too many ways go  
go.  
So good so bad anyway yo yo.Just as you come near my sanity goes.  
I'm not a jester, fall in soul, my baby.  
I'm not a mister "code my feelings", baby.  
I'm not a "kick it", a "robot"seeking mother.  
I'm not too old to get dissolved, to be fooled.

I didn't wash my dishes.I didn't take out the trash.  
I'm just sitting alone at home.Why has it come to crash.
