

# All I Want

Susanna Hoffs

Can't ignore or hide away  
Can't escape from the things that line our way  
Take it, leave it, break it  
Anyway, you can't get back to yesterday

All I want  
All I want to do  
You better listen from now on  
Stop what's goin' on  
Stop what's goin' wrong  
You better listen from now on

Confidence, coincidence, call it a sin  
It's just like people say  
Tomorrow's here so open up your eyes  
Never hesitate

All I want  
All I want to do  
Is make you listen from now on  
Sleepin' in the dark  
Dreamin' of the stars  
Keep one to wish on from now on

Oh oh  
Oh woh

It makes me want to give you everything  
Pick you up and take you home again  
Hold you tight and think that now is then

All I want to do  
All I want to do  
You better listen from now on  
Open arms or cryin' eyes  
Say hello or wave goodbye  
Which one are you thinkin' of

Oh oh  
Oh woh

All I want to do  
All I want to do  
Is make you listen from now on  
Stop what's goin' on  
Stop what's goin' wrong  
From now on

'Cause all I want to do  
All I want to say  
You better listen from now on  
Sleepin' in the dark  
And dreamin' of the stars  
Keep one to wish on from now on

All I want to do  
All I want to say

Is everything I feel from now on
