Ego come and egos go, on the stairway to success justifying our existence, puttin' us to the test we can all fall down, the mighty and tall we can all, loose our crown and the ones you hurt on the rocky road up trip you up, on the way back down

15 minutes of fame, Andy Warhol used to say 15 minutes of famem then they steak your star away come on play the game, come shine a light down on me take a bow, this is now 15 minutes of fame!

money make the world go round our loss become their gain selfish fingers grab it all, greed is their domain we can all want more, but diamonds and perls are the need of a lonely soul and dreams you dream in your darkest hour are desires in control

- 15 minutes of fame is all you get; money and fame gonna get you get
- 15 minutes of fame is all you get; so get it while you can
- 15 minutes of fame is all you get; money and fame and no regret
- 15 minutes of fame is all you get; so get it while you can
