

# Best Thing In My Life

Suzi Quatro

So many times I've tried  
To walk away from you  
Every time I used to fly  
My restless heart flew back to you  
You believe in perfect love  
To last eternally  
How could I betray your trust  
A perfect love I'd never be

Just got to tell you I'm sorry (so sorry baby)  
I just got to make you see

You're the best thing in my life  
You're the light shining in my eyes  
You put the meaning made my life smile  
You're the best thing, the best thing in my life

So many tears and sleepless nights  
I guess is hard to face the truth  
Too many years I can't deny it  
I have no right to cheat on you  
I just got to tell you I'm so sorry  
Give me one more chance to make you see

You're the best thing in my life  
You're the light shining in my eyes  
You put the meaning made my life smile  
You're the best thing, the best thing in my life

We both made mistakes  
We had some reason to cry  
But we got what it takes to get by (wowooo)

You're the best thing in my life

I just got to, got to, got to tell you I'm so sorry baby  
I will give you one more chance, one more chance to make you see  
e

You're the best thing in my life  
You're the light shining in my eyes  
You put the meaning, made my heart smile  
You're the best thing in my life [repeat until end]
