

Don't Break My Heart

Suzi Quatro

Late night long after midnight
You sneak at my back door
You know I don't mind sharing you
It's this I'm asking for

Don't break my heart
Don't break my heart
Don't break my heart
Don't break my heart

You swear she don't mean nothing
And I'm the only one
Well, I don't care what lies you tell
When all is said and done

Don't break my heart
Don't break my heart
Don't break my heart
Don't break my heart

Big boy you're so sure boy
You think you got it made
Please me every evening
And play my loving game

Don't break my heart
Don't break my heart
Don't break my heart
Don't break my heart...
