

If You Can't Give Me Love

Suzi Quatro

A

Well I've seen you before on that discotheque floor

Hmi

You were driving me out of my mind

D

But I could have swore that I saw something more in your eyes
Although you were surrounded by beauty unbounded

Hmi

Your glance was intended for me

D

And though I tried to hide it I found myself looking to see you
So then you took your chances, you made your advances

Hmi

Your touch took my breath away

D

But when you said hello, are you ready to go

A

E

Well I had just one thing to say

A

Well you may be the king of this discotheque scene

But honey I aint looking for that

What I need is a man, not some so-called aristocrat

Oh if only you'd waited, just hesitated, or maybe just asked me to dance

But you really don't know why I don't want to go

And baby that's why we don't stand a chance

So if you can't give me love honey, that aint enough

Let me go look for somebody else

If you can't give me feelings with old fashioned meanings

You're just in love with yourself

If you can't give me love(Love) If you can't give me love(Love)

Let me go look for somebody else

If you can't give me feelings with old fashioned meanings

You're just in love with yourself
