

Love Hurts

Suzi Quatro

It's a crying shame
Love hurts
Such a funny thing
That you want me back again
Well it's too late now
You're finding out that love hurts
You pushed me out the door
Right on outta your life
You said that you were sure
I'd never be your wife
You kicked me in my pride
But I came through the other side

It's sad to see your smile has gone
Your heart's the one that's dyin'

Love hurts - whoo - Love hurts - yeah - Love hurts -who
Love hurts - yeah - Love hurts - whoo - Love hurts - yeah - Lov
e hurts - whoo
Well it's sad to see your heart is breakin'
You're the one that's cryin'
