

Remote Control

Suzi Quatro

Vision, I vision electrical lights
Sending transmissions tonight
Touching, I'm touching
Long distance calling
Falling for video love
Pirates and dreamlets make
Waves in my mind

Danger comes in to the room
Drowning, I'm drowning
Wrap me up tighter
Stranger will pull part of you
Currents flow high and low
To my senses
Turn me on, turn me off
Video love

Sensing, I'm sensing
Somebody else watching
Secret, no secret tonight
Screaming, who's screaming
There's no-one to talk to
Getting this video love
