

# She's In Love With You

Suzi Quatro

She's in love with you  
That's all she wants to do  
She'll never let you down,  
She'll never fool around  
'Cos she's in love with you

So if you see her all alone  
One night walk up to her discreetly  
Ask her why  
And if she replies with words  
That don't make sense it maybe  
Just because she's shy  
Don't take advantage of her  
Lack of understanding just because  
You think you could  
Treat her right, treat her good  
Take her home and make her  
Feel the way she should

She's in love with you  
That's all she wants to do  
She'll never let you down,  
She'll never fool around  
'Cos she's in love with you  
She's in love with you  
That's all she wants to do  
She'll never let you go,  
She may not let you know  
But she's in love with you

So if you happen to be out  
One night as someone asks you  
Where you're gonna go  
Just remember she's not like the other girls  
She may not want them all to know  
Though she may need a little time  
She never wants to stand in line  
The way they would  
So treat her nice, treat her good,  
Treat her like you know you should  
You may never find another girl like her

She's in love with you  
That's all she wants to do  
She'll never let you down,  
She'll never fool around  
'Cos she's in love with you  
She's in love with you  
That's all she wants to do  
She'll never let you go,  
She may not let you know  
But she's in love with you

So take her home and hold her close  
Touch her where she feels it most, but be true  
And when she's makin love to you,  
She'll do what you want her to

Treat her good, treat her like you know you should  
You may never find another girl like her

She's in love with you  
That's all she wants to do  
She'll never let you down,  
She'll never fool around  
'Cos she's in love with you  
She's in love with you  
That's all she wants to do  
She'll never let you go,  
She may not let you know  
But she's in love with you
