I Still Miss Someone

Suzy Bogguss

Out my door the leaves are falling A cold wild wind will come Sweethearts walk by together And I still miss someone

I go out to a party To look for a little fun But I find a darkened corner 'Cause I still miss someone

Oh, I never got over those blue eyes I see them everywhere I miss those arms that held me When all the love was there

And I wonder if he's sorry For leaving what we had begun There's someone for me somewhere And I still miss someone

Oh I never got over those blue eyes I see them everywhere I miss those arms that held me When all the love was there

And I wonder if he's sorry For leaving what we had begun There's someone for me somewhere And I still miss someone
