

Power of Woman

Švihadlo

I don't know the secret of this magic
I don't know the power of this trick
How to resist to power of a woman
It is hard to resist the power of a woman
Hard to resist to power of a woman
Man will never resist the power of a woman
It is said that men were born to be rulers
Yet, in this fight we are the losers
It is said that men were born to be kings
Yet, kings will never rule the kingdom of woman
Hard to resist the power of a woman
Man will never resist the power of a woman
We try to be free, but we are prisoners of love
The jailer a woman you see
Kings will never rule the kingdom of woman
