

A.C.D.C.

Sweet

She got girls
Girls all over the world
She got men
Every now and then
But she can't make up her mind
On just how to fill her time
But the only way she can wind

A.C. D.C.

She's got some other lover as well as me

A.C. D.C.

She's got some other women as well as me

She's got some other women as well as me

She's got phone
But they call her bump
She got sick
You wanna see her dingaling
Well let's be in it together
I'll guess she'll be in it forever
You've got to take it now and ever

A.C. D.C.

She's got some other lover as well as me
