

## Burning/Someone Else Will

Sweet

Ah Ah...

So tired of ya lyin'  
Take it as it comes  
you've bin hanging round all weekend  
I'm not the only one  
If we don't fuck you then someone else will

You Fuck me in the kitchen  
You fuck me in the hall  
When your in the dressing room  
You fuck any one at all  
If we don't fuck you then someone else will

At the 3rd stroke  
It'll be 5  
52  
spacemen  
Watchout!

So tired of ya lyin'  
Take it as it comes  
you've bin hanging round all weekend  
Now i'm not the only one  
If we don't fuck you then someone else will
