The Six Teens

Where were you in sixty-eight In sixty-eight, Julie was Johnnie's date Two kids growin' together Livin' each day as if time was slippin' away

Oh, they were just sixteen and their love, a teenage dream They passed the time, they crossed the line The line that ran between Julie and Johnnie, now you've made it

But life goes on, you know it ain't easy You've just gotta be strong if you're one of the six teens And life goes on, you know, you know it ain't easy You know you'll never go wrong 'cause you're all part of the six teen s

Suzie and Davey got to make the big time Maybe they can put it all together In a show that lasts forever

Oh, they would walk the strip at nights And dream they saw their name in lights On Desolation Boulevard, they'll light the faded light Suzie and Davey, you can make it

But life goes on, you know it ain't easy You've just gotta be strong if you're one of the six teens And life goes on, you know, you know it ain't easy You know you'll never go wrong 'cause you're all part of the six teen s

So where were you in sixty-eight When Bobby and Billy thought that sixty eight was out of date? They took the flowers from their hair And tried to make us all aware, too bad, too late

So they lived from day to day And tried to do it all their way But sixty-eight was sixty-eight No matter what they say Bobby and Billy, maybe you'll make it one day

But life goes on, you know it ain't easy You've just gotta be strong if you're one of the six teens And life goes on, you know, you know it ain't easy You know you'll never go wrong 'cause you're all

And life goes on, you know, you know it ain't easy You know you'll never go wrong 'cause you're all part of the six teen s And life goes on, you know, you know it ain't easy You know you'll never go wrong 'cause you're all part of the six teen
