

## Be My Valentine

## Swing Out Sister

In between adored and a dream  
There's a place that nowhere has been  
Nothing comes closer  
Doubt anybody else could find  
That smile in your mind

And no one else can do what we do  
Turn out the lights  
And make our dreams come true  
When tomorrow's just a memory  
You'll still be mine

Time can wait  
We can't pretend that nothing's changed  
If you've had a change of heart  
It's never too late to start all over again

Make me go, make me stay  
Hold me tight, come what may  
Like you were always mine  
Never want a day like this to end  
If our dreams can't come true  
Then, let's pretend

Be my valentine  
My valentine  
Even though we're dancing out of turn  
I'll close my eyes and make believe  
You'll change your mind  
Be my valentine  
Be my valentine
