

# Happier Than Sunshine

Swing Out Sister

I don't know what I feel  
But I wish it could last forever  
I don't know if it's real  
But you're making me feel this way  
I don't know what it is  
But it happens when we're together  
If it's all about us  
Then I wish it was here to stay  
Was it something you did  
Was it something you said  
Got a grip on my heart  
Going out of my head  
It's the way that you are  
It's the things that you do  
Whenever you're near  
If only you knew, I'm happier than sunshine  
Happier than sunshine on a lazy day  
I don't know what it means

But there isn't always a reason  
If it's only a dream  
Then I'm dreaming my life away  
Wherever you are  
We couldn't get any closer  
There's a lot of hopeful  
You're still leading my thoughts astray  
Other days, other lives, disappear in my mind  
Other days, other times, disappear out of sight  
Other days, other lives, disappear in my mind  
Other days, other times, disappear out of sight  
Happier than sunshine  
Happier than sunshine on a lazy day  
I was only dreaming  
Happy when I'm dreaming  
I was only dreaming
