

What Kind of Fool Are You?

Swing Out Sister

Somewhere
Somehow
Take me to the place I knew so well
When life was all it was supposed to be
Love me
Hate me
Make me feel invisible again
I could forget I ever knew your name
What kind of fool are you?
When all you want is everything
What kind of fool are you
When you don't want my love

Who knows
Who cares
Why you had to play this stupid game
You know you've only got yourself to blame

What kind of fool are you?
When all you want is everything
What kind of fool are you
When you don't want my love
How many times did I hear my friends tell me that I
should have known better
How many times did I listen to a word they said
How could I know that there really wasn't someone else
That you were loving instead?

What kind of fool are you
When you find that all you're searching for means
nothing at all
With no-one by your side
