

Catastrophe

Swingin' Utters

You can't believe your children you can't believe your wife, yo
u can't take the credit fucking up your life. some people don't
believe me when I tell them "I'm alive" they see me walking so
slowly they think I'm too uptight
It's a catastrophe such a strange way to live
Well let me try a new strategy I'll and make it work I'll take
myself away and get out of the dirt
