

Sheep

Switchblade Symphony

It's time to tell me what you saw
It's time to tell me what you saw

Where are all my little
Little lambs
Fast asleep

Where are all my little
Little lambs
Fast asleep

It's time to tell me what you saw
It's time to tell me what you saw

Did did did did da
Did did da ha
Did did did did da
Did did da ha
Oh, where can they be?
Did did did did da
Did did da ha
Oh, where can they be?

It's time to tell me what you saw
Tell me
It's time to tell me what you saw

Please, Mister
If you see them
They're missing
Won't you help them find
Their way
Find their way home
Before
The wolves find them first
