Witches

Switchblade Symphony

Witches
They ride on broomsticks
Ya know
Angels use wings
To catch the wind's blow
And they're moving as far as they can
And as fast as they can

Skeleton's white
They glow in the night
Goblins entrance
With their wicked dance
And they're moving as far as they can
And as fast as they can

Your dreams are filled With blood and gore Now they're right outside your door They're gonna get you

A spider's love bite
May find you tonight
Monsters they eat
Your kind of meat
And they're moving as far as they can
And as fast as they can

Now it's getting hot, hot Now it's getting hot, hot Run for water Now it's getting too hot

Nee, nee, nee, nee, nee, ha ha ha...
