

Yeah uh yeah

Cho. we came here to rock the spot tonight alright and u can smoke ur smoke or drink ur drink cuz bitch it's alright(alright)2x

Verse:1 thought the door i know the night is gonna be wild step in uh huh bartender see me they smile i'm like their best friend me and some wild dressed thugs like to see me but sippin thugs wut they love single bottle people and they came in from the beginning start me off soft bacardi lime a twist of lemon never fails situation hectic when we slide out thats my shit thats all you hearing people cry out.
