My motorcycle rings are flooded
I'm star studded
You motherfuckers not going to be able to cut it
Listen Bitch, I'm a tuff act to follow
Suck my dick, and here's a nut sack to swallow
Wanna get personal, close and intimate
Listen kid I'm a whole different instrument
Mental I'm not sentimental
I'm intrakit, its impossible not to get into it
My intent to vent is not innocent
I'm guilty of being real filthy with these meniscent ways
It's time to finish ya faze
I'm proof that raw adrenalin and energy pays

Your done your time is up
It's a bran new beat now turn it up (turn it up)
Swollens been coming up
Now watch these motherfuckers burn it up
Your done your time is up
It's a bran new beat now turn it up (turn it up)
Swollens been coming up
Now watch these motherfuckers burn it up
