Don't be afraid, baby
Don't be afraid, baby
Baby ooooooooooooo, Yeahhhhhhh

Love is just like a storm

No sunshine at all

To guide you my way

Oh, boy, you know that I care for you

Don't be afraid, my love is here to stay

Oh, yeah. You don't have to be scared of me

I'm coming home to you
Don't be afraid, baby

I have to go away now
I'll always be here with you
Oh, you're a special boy, here in my heart
Our love is strong, and I won't keep you waiting for love

I'm coming home to you Don't be afraid, baby

Come here, boy.

How many times do I have to tell you, I'm never gonna leave I'll always be back

Home is where my heart belongs

Because home is where you are

Your love is so good to me, words can't express

I can't wait, gonna make love to you. Oh, yeah!
All night, all night long
All night, all night long
All night, all night long

I'm coming home to you
Don't be afraid, baby
