Love Song

Syd Barrett

I knew a girl and I like her still She said she knew she would trust me And I her will I said, ok baby, tell me what you'll be And I'll lay my head down and see what I see. By the time she was back By her open eyes I knew that I was in for a big surprise.

I knew a girl and I like her still She said she knew she would trust me And I her will I said, ok baby, tell me what you'll be And I'll lay my head down and see what I see. By the time she was back By her open eyes I knew that I was in for a big surprise.
