Hello Sunshine

Syd Matters

Hello sunshine Come into my life

Hello sunshine Come into my life

In honesty
It's been a while
Since we had reason left to smile
Hello sunshine
Come into my life

I'm a minger
You're a minger too
So come on minger
I want to ming with you

In honesty it's been a while Since we had reason left to smile So come on sunshine Come into my life

You're not so innocent You're a disgrace to your country If you fled a million miles I'd chase you for a day
