

# Doubt Me

Sylar

Tell me what you want from me  
I'm fucking done with all this heartache  
And I ain't finished, in fact I'm only getting started  
You count me out, and doubt me  
Got me feeling close to nothing  
Got ghost's that'll never leave  
No remedy, they're always haunting  
Act like it's nothing  
It's hard to get above the nonsense  
You count me out and doubt me  
Got me feeling close to nothing  
Just stay if you wanna  
You can stay if you want, I don't wanna talk

Go, go if you wanna go on  
Doubt me like the rest of them lately I know I'm strong enough  
When I feel like caving in  
Go, go if you wanna go on  
Doubt me like the rest of them lately I know I'm strong enough  
When I feel like caving in

I knew exactly what you wanted from me  
I knew you'd take this all and more for granted  
I left my guard down  
Just stay if you wanna  
You can stay if you want, I don't wanna talk

Go, go if you wanna go on  
Doubt me like the rest of them lately I know I'm strong enough  
When I feel like caving in  
Go, go if you wanna go on  
Doubt me like the rest of them lately I know I'm strong enough  
When I feel like caving in  
When I feel like caving in

Seasons change just like hearts do  
Can't seem to have it all, gotta push through  
Yeah, feel the cold on my fingertips  
Guess I'm standing too still, that's how time slips  
Fuck it  
So many reasons I should pack it all up and quit  
Move somewhere different, far from all this shit  
But I've got a purpose, and I've got a calling  
No one said it would be easy but it's not for nothing (not for nothing)

Go, go if you wanna go on  
Doubt me like the rest of them lately I know I'm strong enough  
When I feel like caving in  
Go, go if you wanna go on  
Doubt me like the rest of them lately I know I'm strong enough  
When I feel like caving in

But I've got a purpose  
And I've got a calling  
No one said it would be easy but it's not for nothing  
(When I feel like caving in)  
But I've got a purpose

And I've got a calling  
No one said it would be easy but it's not for nothing

When I feel like caving in...
