I wake up to a blunt rush,
& im gettin head from a girl i've only met once.(once)
My day is looking pretty up,
Cuz i got a swag step in my lil' giddy-up
Let the weed burn
Drink a lil somein'
Cuz im thirsty bitch!
You cant tell me nothin'
Im your girlfriends favorite
And a drop top cruisin down the lane
(get in)
Im the shit so you know she down to go,
Got my hat to the side and my eyes real low.
(waddup)
Hit the clinic we can smoke a lil more,
And roll and roll and roll!

I'm your favorite,
And you cant get enough,
I'm your favorite.
I'm your favorite,
And I dont give a fuck,
I'm your favorite.
I'm your favorite,
And you cant get enough,
I'm your favorite.
I'm your favorite,
And I dont give a fuck,
I'm your favorite.

Im her F-A-V-O-R-I-T-E
I'm her man
You say 5 feet,
Feelin like 10 feet,
Hotter then Tempe,
In the summer with no A.C
Driving girls crazy.
Eyes tellin storys,
Yall lookin borin
Ive been up on my grind,
While you mother fuckers snorin'
Girls lookin gorgeous,
Breasts are enormous.
And they let me feel'em

Young faves they adore us.
Haaa, now ill laugh for a little.
Damn your boyfriend gets treeated like a middle man,
Or a minute man,
Fruit like minute maid
Time is money so you know i get minute paid.

I'm your favorite,
And you cant get enough,
I'm your favorite.
I'm your favorite,
And I dont give a fuck,
I'm your favorite.
I'm your favorite,
And you cant get enough,
I'm your favorite.
I'm your favorite,
And I dont give a fuck,
I'm your favorite.I'm your favorite.
I'm your favorite,
And you cant get enough,
I'm your favorite.
I'm your favorite,
And I dont give a fuck,
I'm your favorite.
