

Between the Lines

T'Pau

You talk of your true love to me
But there's no need
To shout about it endlessly
And your heart rules your head I'm sure
But there are times
I wish I did not have to know

Ah
Between the lines
Behind the smile
This heart breaks inside
Stop telling me how much you love her

Lost in your love for her
Your brotherly hugs and kisses
Are making me feel much worse
And thoughts in my head won't go
No, no, no
I've murdered her a million times
For hurting you

So
Between the lines
Ah behind the smile
This girl hurts inside
Stop telling me how much you love her

And something dies inside
When you tell me of your dreams
And what you want
I need to be your lover
Not your confidante

You see
Between the lines
Behind this winning smile
This heart breaks inside
Oh Stop telling me
Don't tell me

Between the lines
Behind this understanding smile
This girl hurts inside
Stop telling me how much you love her

Stop telling me how much you love her

Don't tell me how much you love her

Stop telling me how much you love her
