

# Heaven

T'Pau

Only for a moment  
You were gone away  
And I had to love somebody  
I never could wait  
Oh, I'm sorry now  
Won't you  
Take me in your arms again

For I have thrown heaven away  
All for a foolish mistake  
Oh, I have thrown heaven away  
Won't you take me back again

Wish upon the pale moon  
Tears that fill the dark gloom  
Now fall into broken hearts  
I know how much I hurt you  
But he was touching me  
He was touching me  
And one night  
Loneliness was hard to bear

Now I have thrown heaven away  
All for a foolish mistake  
Oh, I have thrown heaven away  
Won't you take me back again

Oh, I have thrown heaven away, yeah

I have thrown heaven away  
All for a foolish mistake  
I have thrown heaven away
