```
late at night and i'm coming to see you inside and i wanna believe you your pain is the rhythm you go through so sad now what could i do?
```

last week and you wanna deceive me who called while we're watching to you're back and now you're leaving so sad now have you been bleeding?

```
cry baby, cry baby, cry cry baby, cry baby, cry
```

another fight and i'm starting to see you another night and he's gonna be gone too your pain is the rhythm you go through so sad now what could i do?

```
cry baby, cry baby, cry cry baby, cry baby, cry baby, cry baby, cry
```
