

If you can't fill the unforgiving minutes
Sickened flesh, autistic smile
If yours is a world where you think God's in it
Want more? You'll be in my sights!

Turn off your TV
You're bathed in all the blood
Turn off your intellect
Follow the victory march

All hail the CNN
Your priest to keep you safe
Don't forget your daily prayer
For the BBC

Watch...you're being consumed!
Fight! Fight! Fight!
Lose! Lose! Lose!
Live...without control!
