It must be love because we are too afraid to say
It must be love and so we paint everything in gray
Let's not lose this chance, hold onto my hands
Let's not waste this time

'Cause today is a great day for falling in love 'Cause today is a great day for falling in love, falling in love e

It must be hard to know that we'll never be the same It must be hard to take this honored leap of faith Let's not lose our way, let's not wait to say How we feel inside

'Cause today is a great day for falling in love
'Cause today is a great day for falling in love
Falling in love, falling in love, falling in love

VCause today is a great day for falling in love falling in love

'Cause today is a great day for falling in love, falling in lov e

When you're falling, falling just don't let go When you're falling, falling just don't let go Let's not lose this chance, hold onto my hands Let's not waste this time

'Cause today is a great day for falling in love
'Cause today is a great day for falling in love
Falling in love, falling in love, falling in love
